

VENDETTA ERRATA UPDATES

Updates regarding card text with the Vendetta release.

Announcements | 7/24/2026

Hey Riftbounders!

We've got some fresh card errata for you today, covering cards from Spiritforged, Unleashed and Vendetta. If you're just starting Riftbound, or new to TCGs, card errata refers to any updates to card text after a card was printed. We do this to make cards more easily understood and to clarify how they work within the rules of the game.

You can find the card errata in the above PDF, or in the text below.
